Nancy Elvira (KING), was born on Brush Creek. She was killed in a fall from a wagon in 1902. She and her son, Sam had driven to Cuba for supplies. When they stopped in front of Wallace's Store, Sam jumped out. Mrs. Miller handed Sam a basket of eggs, putting her hands on his shoulders she started to step down from the wagon. Her feet became entangled within the lines and she fell striking her head on the sidewalk. She left a family of 10 of whom several

were quite small. Besides her own children she was raising the orphaned daughter of Dave Miller whose wife Margaret (**GRADDY**) Miller had died in childbirth. The child she was raising was Delphia (**MILLER**).

[2] Obituary of Mrs. James Miller

Mrs. James Miller was accidentally killed in Cuba, Saturday. She had driven to town with her son to do some shopping. The team was stopped in front of Wallace's store and as she jumped to the ground her foot became tangled in the lines and she fell, striking her head on the curb stone. She was a very heavy woman and the blow was harder than was at first thought. After she recovered from the fainting sensation produced by the fall, she walked to the doctor's office and had the wound dressed and then walked to the home of her friend Mrs. W. C. Doggett. She soon grew worse complaining of a pain in her side, and by 1 o'clock she had died living not over three hours after the accident. The husband was notified and came in at once. The funeral was held Sunday, the burial taking place at the Lick Creek cemetery.

MILLER, NANCY E.

Whitsett. Died, at the residence of Esquire Doggett in Cuba, April 26, 1902, Nancy E. Miller, wife of Jas. C. Miller of this place. She died from the injuries received from a fall while getting out of a wagon. She was 48 years old and was born and raised in this county. She was the mother of 12 children, 11 of whom are now living, six boys and five girls. She was a good christian woman and loved by all who knew her. Her funeral was preached at Cuba by Rev. D. W. Turnure, after which the remains were laid to rest in the Lick Creek cemetery, where a large number of friends had gathered to pay their last respects to the deceased. We extend to the bereaved family our heartfelt sympathy. "Dear is the spot where Christians sleep. And sweet the strains that angels pour. O., Why should we in anguish weep? They are not lost, but gone before." The family wishes to express their thanks to the citizens of Cuba who were so kind to them in their time of sorrow.

"THE JAMES MILLER FAMILY OF LICK CREEK"

The father of James Miller is believed to have been a German immigrant. Unfortunately his given name has been forgotten. His descendants say that the surname was originally Muller. As time went by, an "i" was substituted for the "u" and the name became Miller. How the following applies to this family, or if it applies to the family at all, I do not know, but recorded in Book A., page 67, in the year 1837, at the Steelville Court House, isa reference to James M. Miller and Amanda Miller, his wife.

James and his brother William, perhaps other children, grew up around Davisville and Pyatt Hollow. The Miller family moved to the Lick Creek neighborhood in 1860 and here the older members of the family are buried. James is said to have been a soldier during the Civil War, dying of pneumonia in 1865. He left his wife with 7 children to care for, the oldest only 14 years old.

(Note, also by H.C.L. -A few years ago, William Lea, father of Mrs. Bessie West, told me that during the Battle of Leasburgh, Benjamin Lea and a Joseph Miller of Lick Creek agreed to make a dash for Rolla to inform Union Headquarters there that Ewing and his troops were under attack at Leasburgh. I have wondered if Mr. Lea's Joseph Miller was actually James

Miller. At this writing I know of no data which states who first reached the Union forces with word of the plight of Ewing and his men, whether the word was delivered by one or both of the named couriers, or by one or more of the Ewing men who were on horseback. It is known that some of these did not stop at Leasburgh but kept on running until they reached points where Union troops were concentrated.

James Miller married a Pyatt. After the death of James his widow married Van Graddy, uncle of Martha Jane Graddy. James Miller and Pyatt were the parents of seven children:

1. James Calib (Bud), died in 1906. James married Nancy Elvira King in 1871. They were the parents of 12 children. Nancy Elvira King was born on Brush Creek. She was killed in a fall from a wagon in 1902: She and her son, Sam had driven to Cuba for supplies. When they stopped in front of Daggett's store, Sam jumped out. Mrs. Miller handed Sam a basket of eggs putting her hand on his shoulder, she started to step down from the wagon. Her feet became entangled within the lines and she fell, striking her head on the sidewalk. She left a family of 10 of whom several were quite small. Besides her own children she was rearing the orphaned daughter of Dave Miller whose wife had died in childbirth. This was Delphia "Debbie" Miller who married Gilbert Smith. The James Miller children:

- a. Eliza, born about 1872. married a Britton.
- b. William A. who died in Seattle, Washington in 1966.
- c. Henry Edward, d. about 1963, married Marguerite McClarney, who thru her mother, was a descendant of John Sevier, founder of Tennessee. Her mother had died when she was born and she was reared by her grandparents, Windle McClarney. The McClarneys had been large property owners and he had been a judge but the Civil War ruined them. Following the war they had come by ox carts and wagons and settled at Cuba. The Henry Millers settled at Dollar Mill but at first lived within the [page 292] boundaries of Forest Hill and his sons attended that school. Henry's daughter Rose married Roy Alexander. (see Alexander family)
- d. Effie Elen who married George Duree.
- e. Eli E. who was born about 1880 and lives at St. Clair Mo.
- f. Kitty E. who married John McClarney. (A widow now, Kittie lives in the Baptist Home at Ironton, Mo.)
- g. Samuel J. who died in Seattle about 1955.
- h. Frank James, a minister, b. May 17, 1887; d. Oct. 5, 1969. Lives at Bourbon, Mo. Is married to Catllarine Hodge.
- i. Frances Hannah who married John Duree. Hannah lives at Pilot Knob, Mo.
- j. John A. who died about 1961.
- k. Tangie who married Bill Shinkles.
- l. Charles Lee who died when about 1 year old.

Mr. Frank Miller writes that, the births of the above children were spaced about 2 1/2 years apart and that all are dead at this writing. (Feb. 1967) except Eli, Kitty, Frances, Tangie and himself.

2. Sarah (Sis) who married Walter Lawless.

3. Mary who married Henry Brown. After Mary's death. Henry Brown married Martha, widow of Dave Miller.

4. Martha, who died relatively young, married Dave King. They were the parents of four children: "Uncle" Jerry King, Doll, who married Charley Payne, Elsie who married Bill Jackson,

Joe born Sept. 21, 1908 at Jackson, Mo. Elsie had no children by this last marriage. Six children of Elsie Mae and Jacob James Reiner: Lauretta Pauline, b. Jan. 13, 1926, m. Joe M. White, Jr., their five children, Barbara, Connie, Cynthia, Joe III and Robert John. James Edgar, b. May 29, 1927, m. 6. David F. who married Margaret F. Graddy on Dec. 25, 1876. Margaret, known as "Kitty" was a sister to Martha Ann Miller. (The young Graddys. Kitty, Martha, Tom, George, Dora and Ellen were all born in Kentucky.) Dave and Kitty were the parents of three children: Delphia, James and Charley. After Kitty's death, Dave married (2) Martha McNat on June 15, 1885. Dave and Martha had one child, Nellie. On Jan. 9, 1888, Dave was shot and killed from ambush. He was robbed of about \$40.00. After Dave's death, Martha married Henry Brown. who had been a widower since the death of his wife, Mary, a sister to William J. Miller. (Note by HCL -See Goodspeed's History of Crawford County, page 566 for account of the killing of Dave Miller. However there is grave doubt in some minds in the Leasburg area, that the man who was arrested and subsequently lynched by a mob, was actually guilty of this crime. The money was never found. The body of the lynched man was claimed by his brother and taken home for burial.)

Research Note

When John McCormick compiled his book "**History of Forest Hill and Vicinity**" by John Steele McCormick © 1970, he collected data from individuals all around the state of Missouri concerning the families found in his book.

The information submitted by these families were from descendants of those ancestors and was mostly heresy. Consequently, the data from his book is full of errors and should not be used without collaborating sources.

Remember, this data for his book was collected before computers and by non-professional people. Use the information found in books and other sources as a **guideline** and a road map and verify through hard-core vital and legal records all information, before assuming their validity. a widower since the death of his wife, Mary, a sister to William J. Miller. (Note by HCL -See Goodspeed's History of Crawford County, page 566 for account of the killing of Dave Miller. 1902 Newspaper

THE DEMOCRAT, Steelville, Crawford County, MO, Friday, October 10, 1902

GRADY, INFANT

St. James Journal: "Mister, I believe our baby is dead." These words from a 7-year-old boy startled light operator Martin in the West Plains depot Friday night. He looked through his ticket window and saw in the waiting room a man and six children spending the night in the depot for lack of money to go to a hotel. The operator went out and found a 14-year-old girl holding a dead baby. Hackmen, railroad men and a few people waiting for a train made up a collection and sent the man and his five children to a hotel. The county took charge of the dead child. The man was VanBuren Grady, who was trying to get to relatives in Crawford county from Arkansas. Mrs. Grady died two weeks ago. Mr. Grady was for many years a familiar figure around Bourbon where he lived until about 6 years ago when he went to Shannon county and it seems from there on down to Arkansas.

[The 7 years old boy was probably Lewis Whitfield "Whit" Graddy, the 14 year old girl was probably Celeste or Charity Graddy, unknown who the baby may have been. Evidently there was another child born not listed here because we do not have a child dying in October 1902 in the family records.]

1840-1848 Death of mother; Priscilla (LAREMORE) Coffman

Priscilla (LAREMORE) Coffman died between 1840 and 1848 when he remarried. Since Benjamin is the last known child born to this marriage, her death could be closer to 1840. Even though the 1850 census states Benjamin and all his siblings were born in Missouri, this could have been a defensive tactic to protect the family from the military who sought to put all Cherokees on the reservation in [now] Oklahoma.

Needed Property Research

In order to answer several questions, we need to be looking at the deed records of Harmony Twp, Washington, Missouri to find out if Joseph Coffman bought any land in that area.

[1] If he had purchased land then he was a white man and not a Native American because NA could not own land.

[2] If he had purchased land then this would be a good indication of his arrival date in the area.

[3] If he bought land in the area, then it would establish the birthplace of his children. If he bought land before 1839 then his children would have been born in either Tennessee or Missouri.

[4] And when he sold the land would give a good indication of his departure from Harmony Twp, Washington, Missouri to near Falling Spring Post Office, Douglas, Missouri, United States.

Robert H. McClarney b. 1802 d. 1870

Excerpts from Linda Hale Colvard's writings.

Robert H. (Mary's father) and first wife, name unknown at this writing, married in North Carolina, moved to Missouri and had their family. Then moved to Kansas, Sarah was married and living in Missouri, had her son, Walter, in Franklin county, Mo. in 1865.

The others lived in Jacksonville, Neosho County, Kansas. Mary's older brother, William, married at Erie, Neosho County, on 19 Feb. 1868. He would live only 11 years longer and have 2 daughters during those years.

Mary Missouri McClarney married Adelbert Hale on 30 Dec. 1869, at her father's home in Jacksonville. They lived in this county until at least 1880, they were there for the 1880 census when they had their three oldest children, Nettie, Cora Eva, and Curtis.

Robert H. married for the second time in 1869. Nancy Marshall, second wife, was a widow in the 1870 census. She was keeping house for a family of Arnase Edwards, (age 62, widower), who has a son named Francis P., age 26. Nancy has 3 children named Marshall, her last name when she married Robert H., their ages were 13, 10, and 3. Then she had Evalina McClarney age 3 months, Evalina died before March 1871, when the land of Robert H. is being divided.

Mary Missouri McClarney Hale moved on over to Cowley county Kansas, Chautaugua Co., too, and into Oklahoma in 1889, Adelbert was in the Land Run of 1889. Mary became ill with tuberculosis, (consumption) and her eldest son, Curt, married Lillie Mae Kaser on 1 May 1901. They then moved in with Mary and took care of her. She lived until 20 Oct 1901, when she passed away. They lived NE of Stroud Ok., so she is buried in the old cemetery now named Black-Vickery cemetery.

It is Robert's first wife, Mary McClarney's Mother whom it is believed to be of Cherokee heritage. Her name is not known at this writing. Nov. 1993. Kathleen Nichols

Robert McClarney joined the 5th Kansas Cavalry Volunteers in December 1861. He had already served in 3 wars, the Black Hawk War, Mexican War, and the Texas War. He lied about his age, he was 59 years old, (1861) but said he was 55 years old so he could "fight" again, in the Civil War. According to the record in the National Archives in Washington D. C. the government did not provide adequate shelter and it was a horrible winter -- he suffered from rheumatism and finally his health broke from exposure to cold and storms. The government discharged him on 2 August 1862.

Linda Colvard believes he met & married Mary Missouri's mother, somewhere in Missouri, when they were moving the Cherokees over the Trail of Tears, probably in the late 1830's.

"THE JAMES MILLER FAMILY OF LICK CREEK

The father of James Miller is believed to have been a German immigrant. Unfortunately his given name has been forgotten. His descendants say that the surname was originally Muller. As time went by, an "i" was substituted for the "u" and the name became Miller. How the following applies to this family, or if it applies to the family at all, I do not know, but recorded in Book A., page 67, in the year 1837, at the Steelville Court House, is a reference to James M. Miller and Amanda Miller, his wife.

James and his brother William, perhaps other children, grew up around Davisville and Pyatt Hollow. The Miller family moved to the Lick Creek neighborhood in 1860 and here the older members of the family are buried.

James is said to have been a soldier during the Civil War, dying of pneumonia in 1865. He left his wife with 7 children to care for, the oldest only 14 years old.

Note, also by H.C.L. -A few years ago, William Lea, father of Mrs. Bessie West, told me that during the Battle of Leasburgh, Benjamin Lea and a Joseph Miller of Lick Creek agreed to make a dash for Rolla to inform Union Headquarters there that Ewing and his troops were under attack at Leasburgh. I have wondered if Mr. Lea's Joseph Miller was actually James Miller. At this writing I know of no data which states who flrst reached the Union forces with word of the plight of Ewing and his men, whether the word was delivered by one or both of the named couriers, or by one or more of the Ewing men who were on horseback. It is known that some of these did not stop at Leasburgh but kept on running until they reached points where Union

troops were concentrated.

James Miller married a Pyatt. After the death of James his widow married Van Graddy, uncle of Martha Jane Graddy. James Miller and Pyatt were the parents of seven children:

1. James Calib (Bud), died in 1906. James married Nancy Elvira King in 1871. They were the parents of 12 children. Nancy Elvira King was born on Brush Creek. She was killed in a fall from a wagon in 1902: She and her son, Sam had driven to Cuba for supplies. When they stopped in front of Daggett's store, Sam jumped out. Mrs. Miller handed Sam a basket of eggs putting her hand on his shoulder, she started to step down from the wagon. Her feet became entangled within the lines and she fell, striking her head on the sidewalk. She left a family of 10 of whom several were quite small. Besides her own children she was rearing the orphaned daughter of Dave Miller whose wife had died in childbirth. This was Delphia "Debbie" Miller who married Gilbert Smith. The James Miller children:

- a. Eliza, born about 1872. married a Britton.
- b. William A. who died in Seattle, Washington in 1966.
- c. Henry Edward, d. about 1963, married Marguerite McClarney, who thru her mother, was a descendant of John Sevier, founder of Tennessee. Her mother had died when she was born and she was reared by her grandparents, Windle McClarney. The McClarneys had been large property owners and he had been a judge but the Civil War ruined them. Following the war they had come by ox carts and wagons and settled at Cuba. The Henry Millers settled at Dollar Mill but at first lived within the [page 292] boundaries of Forest Hill and his sons attended that school. Henry's daughter Rose married Roy Alexander. (see Alexander family)
- d. Effie Elen who married George Duree.
- e. Eli E. who was born about 1880 and lives at St. Clair Mo.
- f. Kitty E. who married John McClarney. (A widow now, Kittie lives in the Baptist Home at Ironton, Mo.)
- g. Samuel J. who died in Seattle about 1955.
- h. Frank James, a minister, b. May 17, 1887; d. Oct. 5, 1969. Lives at Bourbon, Mo. Is married to Catlerine Hodge.
- i. Frances Hannah who married John Duree. Hannah lives at Pilot Knob, Mo.
- j. John A. who died about 1961.
- k. Tangie who married Bill Shinkles.
- l. Charles Lee who died when about 1 year old.

Mr. Frank Miller writes that, the births of the above children were spaced about 2 1/2 years apart and that all are dead at this writing.(Feb. 1967) except Eli, Kitty, Frances, Tangie and himself.

2. Sarah (Sis) who married Walter Lawless.

3. Mary who married Henry Brown. After Mary's death. Henry Brown married Martha, widow of Dave Miller.

4. Martha, who died relatively young, married Dave King. They were the parents of four children: "Uncle" Jerry King, Doll, who married Charley Payne, Elsie who married Bill Jackson, Elmer and Jerry.

5. William Jackson Miller, b. Nov. 20, 1859, d. Sept. 26, 1940, married Martha Jane Graddy, daughter of Fred and (Malcomb) Graddy. Martha Jane was born Aug. 14, 1864 and died Jan. 19,

Joe born Sept. 21, 1908 at Jackson, Mo. Elsie had no children by this last marriage. Six children of Elsie Mae and Jacob James Reiner: Lauretta Pauline, b. Jan. 13, 1926, m. Joe M. 6. David F. who married Margaret F. Graddy on Dec. 25, 1876. Margaret, known as "Kitty" was a sister to Martha Ann Miller. (The young Graddys. Kitty, Martha, Tom, George, Dora and Ellen were all born in Kentucky .) Dave and Kitty were the parents of three children: Delphia, James and Charley. After Kitty's death, Dave married (2) Martha McNat on June 15, 1885. Dave and Martha had one child, Nellie. On Jan. 9, 1888, Dave was shot and killed from ambush. He was robbed of about \$40.00. After Dave's death, Martha married Henry Brown. who had been a widower since the death of his wife, Mary, a sister to William J. Miller. (Note by HCL -See Goodspeed's History of Crawford County, page 566 for account of the killing of Dave Miller. However there is grave doubt in some minds in the Leasburg area, that the man who was arrested and subsequently lynched by a mob, was actually guilty of this crime. The money was never found. The body of the lynched man was claimed by his brother and taken home for burial.)

After Dave's death, Martha married Henry Brown. who had been a widower since the death of his wife, Mary, a sister to William J. Miller. (Note by HCL -See Goodspeed's History of Crawford County, page 566 for account of the killing of Dave Miller. However there is grave doubt in some minds in the Leasburg area, that the man who was arrested and subsequently lynched by a mob, was actually guilty of this crime. The money was never found. The body of the lynched man was claimed by his brother and taken home for burial.)

Priscilla (LAREMORE) Coffman died between 1840 and 1848 when he remarried. Since Benjamin is the last known child born to this marriage, her death could be closer to 1840. Even though the 1850 census states Benjamin and all his siblings were born in Missouri, this could have been a defensive tactic to protect the family from the military who sought to put all Cherokees on the reservation in [now] Oklahoma.

Needed Property Research for James Joseph "Jo" Coffman

In order to answer several questions, we need to be looking at the deed records of Harmony Twp, Washington, Missouri to find out if Joseph Coffman bought any land in that area.

[1] If he had purchased land then he was a white man and not a Native American because Native Americans could not own land.

[2] If he had purchased land then this would be a good indication of his arrival date in the area.

[3] If he bought land in the area, then it would establish the birthplace of his children. If he bought land before 1839 then his children would have been born in either Tennessee or Missouri.

[4] And when he sold the land would give a good indication of his departure from Harmony Twp, Washington, Missouri to near Falling Spring Post Office, Douglas, Missouri, United States.

From Harmony Twp, Washington, Missouri, United States to near Falling Spring Post Office, Douglas, Missouri, United States between 1850-1860. The trouble with census dates, there is a wide range. Without knowing when James Joseph "Jo" Coffman moved his family from Harmony Township to Douglas County we can't be sure where the children were born between the 1850 and 1860 census dates. Checking Douglas County deed records might shed some light on if and when he bought land in Douglas County. This would give us an approximate time of their arrival in Douglas County, Missouri. FTP

1850-1860 Family Move

From Harmony Twp, Washington, Missouri, United States to near Falling Spring Post Office, Douglas, Missouri, United States between 1850-1860. The trouble with census dates, there is a wide range. Without knowing when James Joseph "Jo" Coffman moved his family from Harmony Township to Douglas County we can't be sure where the children were born between the 1850 and 1860 census dates. Checking Douglas County deed records might shed some light on if and when he bought land in Douglas County. This would give us an approximate time of their arrival in Douglas County, Missouri. FTP

Gives strong indication that either Joseph Coffman or his 1st wife were of Cherokee ancestry. Forced on the "Trail of Tears" and jumped trail in Washington County, Missouri as did other Cherokees from Monroe County, Tennessee including my Pratts. 1840-1848 Death of spouse: Priscilla (LAREMORE) Coffman

Priscilla (LAREMORE) Coffman died between 1840 and 1848 when he remarried. Since Benjamin is the last known child born to this marriage, her death could be closer to 1840. Even though the 1850 census states Benjamin and all his siblings were born in Missouri, this could have been a defensive tactic to protect the family from the military who sought to put all Cherokees on the reservation in [now] Oklahoma.

Needed Property Research for James Joseph "Jo" Coffman

In order to answer several questions, we need to be looking at the deed records of Harmony Twp, Washington, Missouri to find out if Joseph Coffman bought any land in that area.

[1] If he had purchased land then he was a white man and not a Native American because Native Americans could not own land.

[2] If he had purchased land then this would be a good indication of his arrival date in the area.

[3] If he bought land in the area, then it would establish the birthplace of his children. If he bought land before 1839 then his children would have been born in either Tennessee or Missouri.

[4] And when he sold the land would give a good indication of his departure from Harmony Twp, Washington, Missouri to near Falling Spring Post Office, Douglas, Missouri, United States.

41. Sarah "Sally" (HOLT) was born in 1774 in North Carolina, British Colony and died in 1865 in Tennessee, United States at age 91.

Sarah Sally Holt McClarney

Sarah it is believed was part Native American Indian (Cherokee). This comes from family research done by Holt McClarney family. Holt McClarney is Robert's brother. Native American lines ~ One must have resided in Oklahoma or Indian Territory from 1899-1906. If one left the Indian Terr., they lost their enrollment. The Miller applications were from 1906-1910. If you believe one was a member of the 5 Civilized Tribes, do not just search one roll. There are others on rolls that we know they were not of that tribe. On the Miller Applications the Creek Indians claimed many Cherokee people.

Spellings of surnames have changed many times. You must look at all similar spellings such as: Wolfe, Wolf, Woffard and Wofford. Just because you do not find the ancestor does not mean you are not of the Indian descent. Family lore is how ancestry was passed down from one to another. This is more reliable than documents.

A Little Something About Your Author.....

Floyd Thomas Pratt, F.H.C., M.A.G.I.

At the age of 19, Tom Pratt embarked on a career in law enforcement. This experience gave him training in detective and investigative skills. Little did Mr. Pratt know, how useful these skills would be in the field of genealogy.

Tom Pratt started his family research career in 1975 after becoming a member of the Church of Jesus Christ of Latter Day Saints. His first calling as a new member was to serve in the newly created genealogical department or known today as the Family History Center in the Springfield, Missouri ward. This two-year calling gave Mr. Pratt a tremendous amount of experience helping others to research their families.

In fact, he felt family research came easy and required little effort on his part. In reality, years of reading and studying increased his expertise and he made it look easy to others.

Over the course of several years, Mr. Pratt was asked by his church to instruct several family history courses. This experience established a deep profound love for family and ancestors.

It was not uncommon for Mr. Pratt to spend 4 to 8 hours a day researching and compiling family histories in addition to his duties, as an entrepreneur in the insurance business.

The first major achievement for Mr. Pratt was a breakthrough on his Pratt family back to the early 1800's. Not satisfied with just the direct line research, Mr. Pratt branched out to research all connected lines and allied families.

This dedication led to 42,000 individuals and achieved expert status for Mr. Pratt on the families of middle and eastern Missouri, eastern and western Tennessee and central North Carolina.

Concerning Mr. Pratt's style of research, he is a strong supporter of the "hands on" approach. When he took family vacations, they usually went to libraries, cemeteries, courthouses, National Archive centers, and visited family members in various states. He attended multi-state family reunions and obtained his material from the actual sources when possible.

A Little Something About Your Author.....

Being a researcher of the highest degree, in 1991, Mr. Pratt formed the Pratt Publications Company and offered to the public, a series of books titled, The Pratt Progenitor Papers. This series of volumes are a collection of legal documents, stories, pictures and historical presentations concerning the families of Missouri, Tennessee and North Carolina.

The first three Volumes were released to the public in 1991 and were issued to 18 different libraries including the Library of Congress and the St. Louis Public Library. The next 7 volumes were published with at total of 43 volumes scheduled for publication.

In 1996, Mr. Pratt formed the Genealogical Institute to further the education of serious researchers.

The Genealogical Institute offers a series of educational materials to teach and instruct the uninitiated in the procedures of family history research. These courses offer "a hands on" curriculum designed to instruct in investigative, deductive reasoning and logical procedures for tracking your family history.

Beginners and experienced researchers have found a treasure chest of knowledge when undertaking these courses. Mr. Pratt has taken the hobby of genealogy and has enhanced it into a science. Heavy on instructions concerning documentation, research procedures, alternative sources and common public records, this course is a valuable tool for the researcher. One of Mr. Pratt's favorite sections of the course is teaching researchers "how to stop" researching and compile their information for publication.

Upon completion of the educational courses from the Genealogical Institute, the graduate is awarded the **Master Accreditation of the Genealogical Institute. (M.A.G.I.)**

This designation is equivalent to a Doctorate Degree and signifies the recipient has been trained and demonstrated superior research techniques.

Mr. Pratt's ability in family history research has amazed many educated researchers. When Mr. Pratt is asked for help concerning their "brick wall" in their family research, his quick wit and logical mind rapid fires instructions and procedures so fast they cannot write the material quickly enough. Little do they realize this knowledge has been acquired over 30 years of experience and research.

In June of 2000, Mr. Pratt undertook a new and unprecedented task.

Outside of Washington, Franklin County, Missouri is an old cemetery called the Johnson-Caldwell Cemetery. This cemetery has many pioneer heroes and ancestors of various descendants from that region. Some of the inhabitants were born in the 1750's and traveled west to Missouri after the 1803 Louisiana Purchase.

A Little Something About Your Author.....

Mr. Pratt took down all the information off the headstones, including every person in the cemetery and researched each individual related or not. 1000 man-hours and two years later, he published the book "Johnson-Caldwell Cemetery of Franklin County, Missouri"© 2001.

Obtaining newspapers, legal documents, personal interviews with ancestors and researching various sources for any and all information concerning the history of the cemetery and the inhabitants produced this master text. What makes this book stand out among the rest is basic content and structure.

First, it is the only book to cover the known and reported inhabitants of an entire cemetery.

Second, this book reports on each inhabitant, their birth and activities throughout their life until their death, including their ancestors, spouses and children.

Third, even the index is unique, listing the individual and their father's name if known. This is extremely helpful when several individuals have the same given name.

Upon examination, professional researchers have hailed this body of work as a masterpiece and a standard in which all future research of cemeteries should be based. In their opinion, no one has ever produced a body of work about a cemetery as unique and professional as this publication.

Currently, Mr. Pratt is working on a series of books from the [Pratt Archive Collections](#), which is a series of biographical publications concerning a progenitor and a generation of descendants. This collection is a "cradle to grave" report, which covers the subject's ancestry, birth, marriage, children, and geographical domiciles as well as the political environment during the subject's lifetime.

In addition, Mr. Pratt is working on additional volumes of the Pratt Progenitor Papers and several books on public records.

With all these accomplishments, Mr. Pratt humbly refers to himself as a Genealogical Anthropologist...resurrecting progenitors.

We in the genealogical world are deeply grateful to be associates of a man of Mr. Pratt's caliber. Through his dedication to helping the novice as well as the professional researcher, future generations will benefit by his advances in the genealogical field.

In addition, we are thankful for the inspiration that sparks men like Mr. Pratt to magnify their love for people and history. We feel, with a lifetime dedicated to the genealogical pursuit of truth and knowledge, Mr. Pratt's accumulative body of work, will stand as a quintessential manifestation of this divine love.

Lewton Cole, Chairman
Genealogical Institute

GENEALOGY ETIQUETTE

1. Do not give copies or reproduce the information you received from the compiler or author without written permission.
2. In your research efforts, if you are able to advance the research, then reciprocate by sharing your research information with the compiler.
3. Use the information you receive as a starting point for your research of your families.
4. If you decide to use information you have received, in a book, document or research material, be sure to acknowledge the author or compiler of that material.
5. All inquiries by third parties for a copy of the material should be forwarded to the original compiler or author for written permission.
6. Do not loan or share your information, family heirlooms, special documents, one of a kind, pictures, or irreplaceable materials to non-professional researchers or family members. These types of materials seem to disappear or become damaged.
7. Make copies of important documents or materials when at libraries and be sure to write the name of the book, source, letter or film with the author's name and page number and year of publication.
8. Genealogy work that is not documented is of little value. Remember, you are leaving a trail for those who follow. If future researchers have to verify your work, then of what value is your work?
9. Collect family stories from those relatives who are still alive. This is a short cut to your past and they hold a world of knowledge about your family.
10. Do not try to finance all your research alone. Ask for financial assistance from interested family members.

Remember, the family history information that is so easily exchanged today by computer was acquired over years and years of on-site research. While many were engaged in raising families, working for income, and surviving, genealogist researchers did these things **AND** spent their free time in pursuit of the truth about their ancestors. This pursuit required great sacrifice of time, effort and money. Many researchers went to the actual locations to view the marriage, deed, death and birth records including visiting the cemeteries across the United States and foreign countries. This is why it is important to follow the above guidelines; by doing so, you give respect to their work and honor to their memory. Thank You.
